To whom it may concern,

This is to address my recommendation for Mr. Francesco Valentini who was selected to be the Chef and Cater for our FENDI Boutique at Ala Moana grand opening party in November 2004.

Mr. Valentini has met with us several weeks before the event and was able in a short time frame to understand our specific needs in terms of high standards, company image - FENDI being one the leader in the Italian fashion industry - and most importantly in proposing us genuine and authentic Italian cuisine with a menu especially created for FENDI.

Mr. Valentini has filled all our requirements to the smaller detail, showing a very impressive organization previous to the event, and during the event provided to our guest an excellent gastronomic experience, completed with an outstanding service by putting together an excellent team of waiters. Few days later some of the guests were so impressed, that they contacted us asking for the contact information of our Cater.

It has been a pleasure working with Mr. Valentini and I have to mention that I was very impressed by his great professionalism. I will certainly consider working with him again in the future.

Sincerely,

Patrick Gey
