Dear Francesco -

Once again, I'd like to thank you for catering Hawaii Opera Theatre's "Meet the Stars" party for our production of *Il Trittico* in March 2006.

Our hundred or so guests couldn't stop talking about how wonderful the presentation was and taste of your delicious food. And I always appreciate how much you enjoy chatting with the guests! Always a great touch.

Francesco, it's always a pleasure to work with you. Your attention to detail and punctuality takes catering "off my plate". I know if you are handling, the event will be a success.

Many thanks. I look forward to utilizing your magic in the kitchen very soon.

Warm wishes,

Anne Torphy  
Director of Development
