# ROTARY CLUB OF HONOLULU SUNSET

July 22, 2003

**TO WHOM IT MAY CONCERN:**

As President of the Rotary Club of Honolulu Sunset for the Rotary year 2002-2003, I had the pleasure of organizing a dinner party for 20 people including educators and dignitaries from Russia. Personal Chef Francesco Valentini catered the dinner with an exquisite 5-Course Meal. The food was spectacular, and the guests also enjoyed watching the Chef at work. Chef Valentini is professional, organized, creative, and entertaining. The quality of his food and attention to detail is unsurpassed.

I would recommend Chef Valentini to anyone desiring a very special dinner party that is unique and distinctive.

Sincerely,

Karyl S. Choate  
President 2002-2003
