Dear Francesco,

Thank you very much for the wonderful dinner the you prepared on December 15 at my home. Every course was done to perfection and I appreciate your effort to make the meal a memorable one. I have received rave reviews from my guests and have given them the information to contact you for your services. You and your crew also did a great job with the cleaning of china and silver which was so helpful to me.

Enclosed is my payment for your services.

Sincerely,
