TO WHOM IT MAY CONCERN:

We are pleased to write a very positive reference for personal chef, Francesco Valentini. We have used his service for over a year, to shop, prepare, cook and serve some 25-30 dinners for 8 -10 guests. We have been thoroughly satisfied. It is our understanding that he also services events for hundreds of people.

Francesco is personable, efficient, resourceful and reliable. He has a wide variety of fine recipes and menus for selection and prepares Italian food superbly.

We would be pleased to talk personally to anyone who is considering his services.

Yours very truly,

Mrs. Fred (Mary) Weyand
